ACADEMIC EXCELLENCE ON A BIBLICAL FOUNDATION

# BLACKHAWK CHRISTIAN SCHOOL

Fort Wayne, Indiana

Home of the Braves

Dear Friends,

The second edition of the Blackhawk Christian School yearbook comes to you with our prayer that it will be as exciting to you as it is to us. The growing pains of a new school have been offset by the joys and satisfaction of accomplishment. As we have moved from year to year in our growth pattern, God has wonderfully supplied the faculty members, parents, and students to make Blackhawk Christian School one of the leading private schools in this community.

It will only be a few months now until the first graduating class will be seniors. As you look at the pictures and read the copy in this year's edition of the yearbook, I hope you will be led to say a prayer of thanksgiving for each young person and each staff member who makes up the great family of the Blackhawk Christian School.

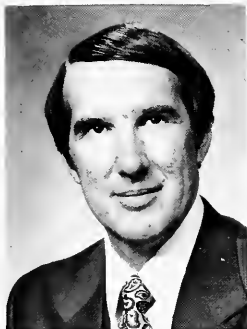

As we look to the future we are filled with enthusiasm about the new facilities for Arlington Park. The architect's drawing of the first school unit is extremely exciting to us. It won't be long before we will be able to spread our wings and do an even better job than we are doing now.

I am rejoicing in the Lord,

Pastor David Jeremiah

DPJ:bw

I am pleased that we have been able to put together a yearbook again this year. It has not been without its difficulties. I do appreciate the work of the teachers and students who have made this publication possible. It is but a small sampling of the many things that happened at our school this year. I trust that each student will enjoy remembering classmates, activities and yes, even teachers.

This has been a year of transition for us here at Blackhawk Christian, particularly in our secondary school. We started to live with the reality of the demands of our high school program this year. New teachers joined us to help in this task. The guidelines and traditions of an established high school were not here to give direction. As the year progressed we all began to realize that we have the challenge of developing our own traditions and personality as a school.

As we add our eleventh grade we know that through the interest of students, caring teachers and the guiding Truth of God's Word we shall develop traditions that reflect our commitment to excellence that we may glorify the Lord.

Yours in Christ,

Dick Moran

Ecclesiastes 7:12
